

The Great Triangle Treasure Hunt

Overview

- This contest runs from August 1, 2019 through August 31, 2019.
- You must be or become a Triangle Credit Union Kids Club or Teen Club member to redeem your savings deposit prize.
- **DO NOT REMOVE THE TREASURE CHEST FROM ITS LOCATION**—after a picture is taken with it, please place it in its exact location so others can play.
- All ten (10) treasure chests are located outside. No digging is required as all chests are above ground.
- Please refrain from treasure hunting after 8pm Eastern Standard Time (EST).

How to Play

We hid a total of ten (10) Triangle treasure chests, and it's our Kids Club (KC) and Teen Club (TC) members' goal to find at least one of them! The chests are hidden in Nashua, Amherst, Merrimack, Derry, and Manchester.

From August 1st through August 31st, we will post weekly clues on our website, Facebook, and Instagram. Members (and parents/guardians) are welcome to engage in our posts and ask for additional clues.

When a KC/TC finds the treasure, they take a selfie with it and must leave the treasure chest in its exact location for others to find. Parent(s)/Guardian(s) email their picture to kidsclub@trianglecu.org or teenclub@trianglecu.org with a general description of where it is located. After photo submission (and verification of account), Triangle will deposit a \$5 reward into your Kids Club or Teen Club Savings Account.

Gold Coin (Special Reward)

KC and TC members can earn an extra \$10 deposit by finding and retrieving a gold coin from the treasure chest. There is only one (1) gold coin per chest, so they are encouraged to find it first.

When found, they bring the coin into your local branch to earn the \$10 (one gold coin redemption per member).

*Only one \$5 reward deposit per Kids Club and Teen Club member. All photo submissions become property of Triangle Credit Union and will be featured on social media (only the child's first name will appear in the post). Contest is limited to the first 100 reward deposits.
